CREMATION TYPES

CREMATED REMAINS RETURNED

This begins with the gentle pick up of your loved one from your veterinary clinic. When the cremation process is complete, we ensure that you receive only the cremated remains of your pet in your choice of urn.

CREMATED REMAINS NOT RETURNED

Keeping the memory of your pet close to your heart, a communal cremation offers both peace of mind and solace. With communal cremation, your pet is gently placed into the crematory together with other pets. Cremated remains are not returned.
